ENGLISH EXAMINATIONS:

If you attended a foreign medical school and the language of instruction was not in English, then you are required to take English examinations. The only two English examinations we accept at TOEFL-iBT or IELTS.

If you took the TOEFL (iBT) examination, the overall minimum score must be 93 with a minimum score of 24 for the speaking section. If you took the IELTS (International English Language Testing System), the minimum requirement is an overall band of 6.5, with no band below 6.0.

We cannot consider your application if you have not successfully completed these exams. **Please do not apply if you have not successfully completed the English exams.**

TEST OF ENGLISH AS A FOREIGN LANGUAGE.

Completed

Date Passed : _____

Mark : _____

Have NOT Successfully Completed

Will Qualify For Exemption*

*If you have trained in North America for more than 2 years, then you could be considered for exemption from the English tests.

FUNDING:

Please confirm whether you require our divisional funding to support you during this fellowship or if you are a sponsored trainee. If you are a sponsored trainee, please indicate your sponsoring agency and ensure that a confirmation letter from your sponsoring agency is required.

I require Divisional Funding

I am a Sponsored Trainee

Sponsoring Agency: _____

I certify that the above information is true and I **HAVE NOT** previously applied for a Cardiovascular Surgery Fellowship at Toronto General Hospital.
